Special Olympics Arizona aims to empower children and adults with intellectual disabilities (ID) to live healthy, fulfilling, and meaningful lives to the fullest extent of their ability. We realize our vision of acceptance and inclusion through inclusive health, leadership, and advocacy programs, as well as our mission to provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills, and friendship with their families, other Special Olympics athletes, and the community.

Special Olympics Arizona has been serving children and adults with ID since 1975—more than 45 years! The organization has grown from 100 athletes to more than 21,000 served annually.

By supporting this event, you will join our movement to increase opportunities for Unified Athletes in local schools while promoting social inclusion through sports programs.

- **250 + Attendees**
